

WILLIAM WOOD

V.

Defendants.

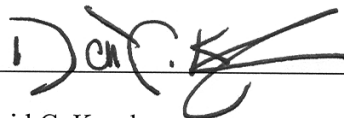

ORDER

Having carefully considered the arguments, the record, and the applicable authority, the undersigned will deny Plaintiff's motion. The undersigned does not find that Plaintiff has established sufficient cause pursuant to Federal Rules of Civil Procedure 59 or 60 to amend, alter, or set aside, or to otherwise grant relief from its previous decision (Document No. 30) and the judgment entered by the Court (Document No. 31). In the "Order" (Document No. 30) filed August

18, 2008, the undersigned determined after careful review of all the documents filed to date in this case that Defendants' motion to dismiss for lack of jurisdiction should be granted. The instant motion does not provide adequate good cause to reconsider the Court's previous ruling.

IT IS, THEREFORE, ORDERED that Plaintiff's "Rule 59-60 Motion To Set Aside, Alter, Or Amend Judgment and to Renew The Rule 15 Motions To Amend And Supplement, and the Request For Judicial Notice" (Document No. 32) is **DENIED**.
